

Save £1,000's on your migration with HiFX!

When emigrating, many people forget the impact fluctuating exchange rates can have on their future wealth. However, with some simple planning you can protect yourself and get the best possible exchange rates when moving your money overseas.

To help make your money go further when migrating, HiFX give you access to:

- Better exchange rates than your bank saving you up to 4% on all international money transfers
- Simple, jargon free currency advice tailored to your individual circumstances
- No hidden charges; no commission fees, transfer charges or overseas bank receiving fees
- Guaranteed exchange rates for up to 24 months
- Fast, highly secure payments for complete peace of mind
- Global office network

Additional exclusive deals for HiFX clients

OZ and NZ Bank Accounts with Westpac

- Current account and high interest account set up pre-departure
- Waiver of monthly account charge
- Discounted mortgage rate

Discounted flights with QANTAS

- Special Qantas one-way economy fares to OZ or NZ
- Additional discounts for children and infants
- Double baggage allowance
